## **Supervisors Approve Traffic Enhancements on San Antonio Crescent West**

**San Bernardino** - The San Bernardino County Board of Supervisors, under the leadership of Vice Chairman Paul Biane, positively responded to resident petitions and letters asking for speed limit and “no parking” traffic signs on San Antonio Crescent West.

The residents took the initiative to contact the Public Works Department and Supervisor Biane’s office to make the case that these projects were needed.

The Public Works Department subsequently conducted traffic safety studies on San Antonio Crescent West, from San Antonio Crescent East to Mountain Avenue, to determine appropriate speed limits and to ascertain whether or not it were safe for cars to park along the street.

“I thank our Public Works Department for working with me to ensure traffic safety in San Antonio Heights,” said Supervisor Biane.

“It is my honor to serve such an active and informed public in San Antonio Heights. I look forward to working with the residents on future projects.”
